

# BSA Troop 722

## To: Troop Parents & Guardians

BSA policy requires Troop 722 to have certain information regarding volunteer drivers and vehicles utilized for carpooling and other transportation needs. Every year, we ask our members to review their information for accuracy and completeness.

Please review and complete your driver and your vehicle information below for our Troop records, and make any corrections as needed. Please mail or otherwise return this completed form at the next opportunity. The Scouts, adult leaders, and other Troop families appreciate your help with transportation to and from Scouting events.
